

CATEGORY**Environmental Excellence Award 2026**

Celebrating standout environmental leadership across offshore energy. From cutting emissions and improving discharges/chemicals management, to circular economy innovation, spill readiness and wildlife protection, biodiversity and birds, waste management, and reducing wider marine impacts - this category is for organisations turning ambition into measurable results.

Environmental Excellence Award 2026

AWARD SUBMISSION:

Q1. What are your organisation's key environmental priorities, and how are these embedded into your strategy and operations? Please outline the areas where you are leading or going beyond regulatory requirements.

Maximum word limit is 500 words.

CATEGORY

Environmental Excellence Award 2026

Q2. What specific initiatives, technologies or approaches have you implemented to reduce environmental impact? This could include emissions reduction, waste management, circular economy practices, spill prevention/response, or biodiversity protection. *Maximum word limit is 500 words.*

CATEGORY

Environmental Excellence Award 2026

Q3. What did you stop doing for the environment? What difficult decision, trade-off or change did you make that required you to do things differently - or even stop doing something altogether - in order to reduce environmental impact? What was the outcome, and what did it teach you?? *Maximum word limit is 500 words.*

CATEGORY**Environmental Excellence Award 2026****CONFIRMATION:**

If you are shortlisted as a finalist, you will be asked to virtually meet the judges for the next step of the judging process. The judging will be taking place between 31st August – 11th September 2026 so please let us know if you would have any availability issues during that time period.

Winners will be announced at the OEUK Awards event at P&J Live on **Thursday 19 November**.
